## Company Profile

Van David Interiors Pty Ltd is a dynamic and innovative Australian Plastering Company specialising in all Plasterboard works.

We see our relationship with our client as a partnership. Your success is our success.

Van David's sole priority is providing its services to the utmost highest quality, and going above and beyond any expectation for our client. We don't sacrifice quality in order to meet your deadline. All of these are a testament to the director's leadership and direction of the team.

## About the Director – Jovan Davidovic

Jovan has a background in design and takes pride in work completed to perfection. He has been involved in some of Sydney's most exclusive projects. No matter how simple or intricate the work involved, he achieves the most outstanding results.
